MUR 5445

AFFIDAVIT OF QUENTIN NESBITT

I, Quentin Nesbitt, hereby swear that the following information is based on my personal knowledge, that I am competent to testify, and that it is both true and correct:

1. Attached hereto is a true and correct copy of the contribution checks I wrote to the political committees indicated and at issue in this matter
2. I did not instruct the officers or agents of the political committees indicated in the attachment hereto to contribute to *Geoff Davis for Congress*, place a designation upon my contributions to these committees, impose an encumbrance upon my contributions to them, or otherwise have knowledge that these committees would contribute to *Geoff Davis for Congress*. It was my understanding that all contributions I made to these committees were in their complete control.
3. I never asked any officer or agent of Campaign for Working Families ("CWF") to direct my contribution to CWF to *Geoff Davis for Congress*. I did, however request CWF Chairman Gary Bauer to get behind the Geoff Davis' candidacy by using his influence to unite local conservative leaders and provide some early financial assistance to discourage other potential primary election challengers.

Quentin Nesbitt

Signed and sworn to before me this 7 day of June, 2004.
